Dear Brother,

Please be advised that after reviewing charging documents and testimony given at the pre-trial hearing held on March 6, 2006, and in accordance with Article XXIV, Sub-division 7, and section (n), the Executive Board finds the following:

Charge One: The charge as stated to be insufficient to proceed to trial.

Charge Two: The testimony given was one sided due to Brother Wooten's advice from legal council to refrain from giving any testimony in his own defense; and evidence presented proved to be inconclusive. Accordingly the Executive Board chose to proceed to a trial.

The trial date has been set for April 10, 2006 at the next regularly scheduled meeting.

Sincerely and fraternally,

Thomas Campbell
